

Mamertino di Milazzo Bianco DOC

Obtained from Inzolia and Catarratto, the Mamertino di Milazzo of Paone Winery is characterized by an olfactory impact set on the fruity notes of regional plum and citrus and on the floral notes of broom, with a wide spectrum of aromatic herbs and an intense sea breeze. Easy to drink thanks to the glycerine balance and the savoury boost that guides fruity returns in a lingering and pleasant finish. Recommended for those who like a stronger taste, it is perfect to combine with fish.
